

SPRAY CHAINLUBE RACING

WORLD CHAMPION PERFORMANCE

Description

High-performance lubricant with TEFLON[®]. For motorcycle chains on roads, and particularly for racing use. O-ring and X-ring tested. Extremely adhesive and resistant to being thrown off. Waterproof, reduces wear and friction. For the highest demands on quality.

Advantages

- waterproof
- reduction in wear and friction
- extremely adhesive

Use

Apply carefully and sparingly to cleaned chain. Allow to soak in briefly. Shake well before use. Also ask for the handy, refillable mini-can.

Contents

500 ml / 56 ml
